**Subject:** SCE&G Rate Hike

Dear Sir,

I am writing with my concern about the recent plans that SCE&G have for another rate hike. I'm sorry to say that most of us have a hard time paying the bills that we are presently receiving. I have seen my bill rise from \$169. in January to \$249. in February.

Please sir, we are struggling to get by as it is and can not do without electricity so I'm writing on behalf of myself and most of my friends asking and begging to you to please do something about this increase that may be happening soon.

Thank you.
